CAFOD: Fix the Food System Campaign: an appeal to all

parishes asking people to sign a petition to the World Bank to support Selina a small farmer of Bangladesh for the right to control her own seeds. The petition will stay at the back of church this week.

"God blessed them and said, 'See, I have given you every plant yielding seed that is upon the earth and every tree with seed as its fruit; you shall have them for food.'" (Gen. 1: 29). CAFOD's Parish Campaign is to ensure that small farmers who grow nearly half of the world's food can continue to choose to use their own seeds and not be made dependent on huge seed corporations funded by the World Bank. cafod.org.uk/food.
