### THE GENERAL ELECTION Your Responsibility

This is not just about leaders, it is about *us*. We are not merely the passive recipients of politics but active citizens. An election is the best time for us as Christians to speak out, to get involved, and to lead. The Catholic Bishops of England and Wales have placed a page on their web concerning the general election.

As Catholics we have a duty to support the common good and to use our vote in a moral manner. On the web page are areas that we should consider when we cast our vote or even question candidates. This is none party and does not tell you how to vote, it is up to you to see what areas are important to the common good as you see it. This is worth a look and some prayer time.
