### THE GENERAL ELECTION 4<sup>th</sup> July Your Responsibility

This is not just about leaders; it is about us. We are not merely the passive recipients of politics but active citizens. An election is the best time for us as Christians to speak out, to get involved, and to lead. As Catholics we have a duty to support the common good and to use our vote in a moral manner. These websites are none party and do not tell you how to vote, it is up to you. This is worth a look and some prayer time.
