*We wish Jessica & Robert every happiness.*

**MARY'S MEALS: Girls in Education:** Dear friend, Our school meals encourage all children to attend school and girls make up 50% of the children in school across our global programme. This is important as only 49% of countries across the world have an even gender split in primary education. Sadly, so many girls are missing out on a vital education. Worldwide, 129 million girls are out of school, and we believe this should change. That's why we're launching our new campaign, '**Her education**'. Mantasha, from India, has two older sisters who are both working in garment factories to support the family. Mantasha worries that she, like her sisters and many other girls in her community, will have to drop out of school to work, but the provision of Mary's Meals makes it much more likely that she can stay on in school, because her family knows that her meal is covered. **Please donate to St Mary's Meals.**

**UKRAINE APPEAL:** we have enough clothing at present but shoes, boots and socks are greatly needed and also medical supplies. These can be left at St Jude's church.
