PRIESTS IN RETIREMENT: *They've Been There for Us; Let's be There for Them*

Our retired priests responded to the call to be priests, they devoted their lives and their all to serving God and God's people. Whilst they 'retire' at the age of 75, they are still priests for life. Many continue in ministry leading active lives – celebrating Mass, serving as chaplains, counselling people in need, supporting parish life and praying for us all.

The priests' retirement fund, known as the George Andrew Fund, ensures that our retired priests enjoy a dignified retirement. It supports independent living, providing them with a suitable home alongside other services. Above all, it makes sure that their social and healthcare needs are met. Our priests rely on this support after devoting their lives to the Church's mission and bringing people closer to Christ. Over the next ten years, approximately one third of our diocesan priests will reach retirement age, and the cost of care will rise significantly because of this. With your help, we can continue to offer our gratitude and support to our retired priests.

Please remember all our sick and retired priests in your prayers
