## A Message from Prof. David Albert Jones

Director, Anscombe Bioethics Centre.

*'I am writing about a Bill that is to be debated in the House of Commons later this month (Friday 29<sup>th</sup> November) that would legalise assisted suicide in this country.*

*The Anscombe Bioethics Centre (formerly the Linacre Centre for Healthcare Ethics), which is the national Catholic bioethics centre for the UK and Ireland), has some new resources on this:*

<https://www.bioethics.org.uk/educational-resources/resources-on-eas/>

*The Bishops' Conference of England and Wales Website:*

<https://www.cbcew.org.uk/opposing-assisted-suicide/>

*It is extremely important that concerned citizens write to their MP to make their voice known. This vote could go either way, and we know that MPs are getting many letters from the assisted suicide lobby'.*
